

CLASSROOM PARTICIPATION GUIDE

CLASSROOM COLLECTION:

Working with your Moo Crew to recycle right

Most disposable beverage containers are recyclable. Let's work together and make sure they are recycled right!

How to recycle right:

IS IT RECYCLABLE?

- Recyclable
 - ✓ • Milk cartons
 - Plastic bottles
 - Plastic cups
 - Drink boxes
 - Aluminum cans
 - Glass bottles
- Not recyclable > place in garbage bin
 - X • Foil pouches

GET IT READY ...

- Screw on cap
- OR
- Push in straw

DROP IT IN THE BIN!

- Place recyclable beverage container in the designated recycling bin.

At the end of lunch, recyclable beverage containers will be picked up by the school's Moo Crew (or brought to the recycling station by a student volunteer). All collected beverage containers will be emptied of leftover liquids and placed in the recycling bin.

Start Collecting!
